ABOUT ME

I'm a Brazilian audiovisual professional with over 9 years experience in the sector, living in Berlin and looking for new career opportunities. I've worked with distinct multimedia projects, including advertising, documentaries and photoshoots for a variety of channels, such as TV, Social Media, Cinema and magazines.

I have experience with clients from different sectors such as Honda Motors, Santander, IDB, GE, Samsung and Unilever for national and international projects, and am specialized in timelapse and hyperlapse formats production.

PROFESSIONAL EXPERIENCE

2013 - Current | Owner/Co-founder at Stocklapse - stocklapse.com

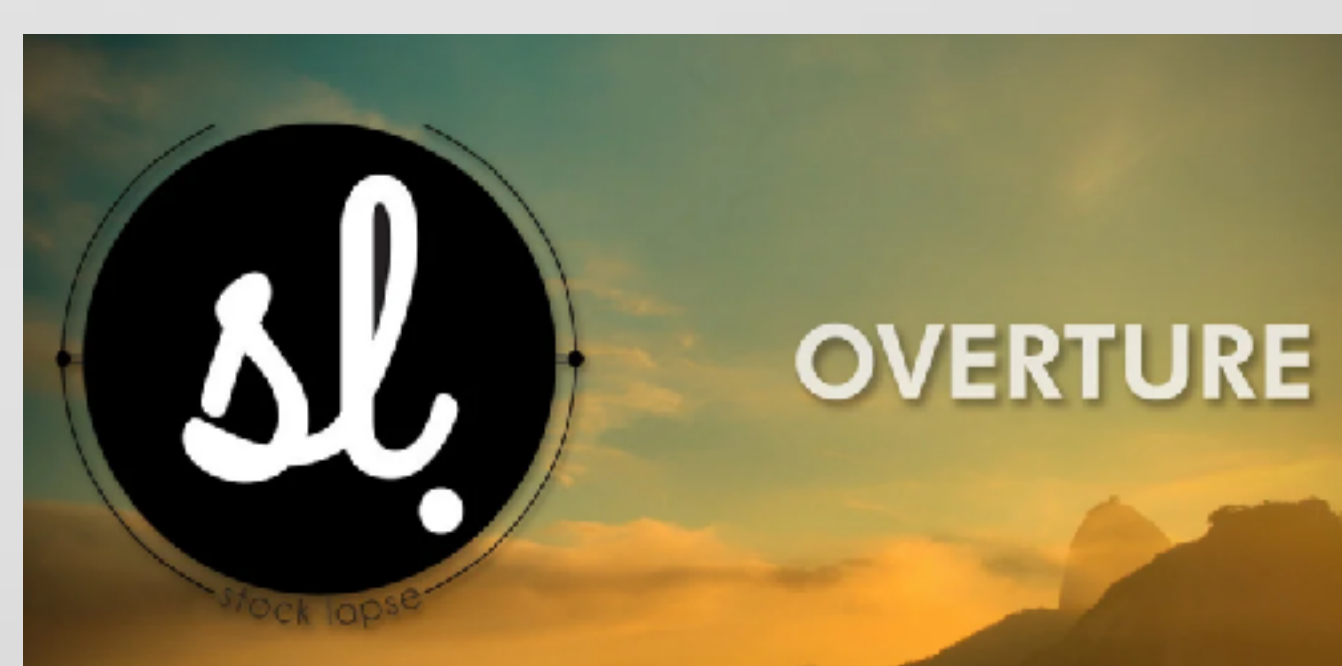

Film production company specialized in timelapse format and camera special effects

2010 - Current | Freelance photographer, cinematographer and editor - cristiandomingues.com

Freelance work for different brands and projects related to multimedia production
